What is the seminar about? Who should attend?

As the Oireachtas continues to grapple with the never-ending mortgage arrears problem (three new Bill are making their way through the Dail, including the 2018 “Fair Mortgages” Bill written by the Master of the High Court), we look at the latest developments in the legal landscape. That includes a review of the latest case law, including the Thompson case which recently cast significant doubt on the validity of thousands of mortgages. As always, the focus of our annual update is on the best practical advice to clients in mortgage arrears situations. The seminar includes a detailed booklet of notes containing everything you need to know!
