What is the seminar about? Who should attend?

At a time when creditors are becoming increasingly anxious about being paid and turning to legal avenues for assistance, it is imperative that practitioners are aware of all options potentially available to their clients. The purpose of this seminar is to highlight some of the most common - but also some of the lesser known - remedies available to creditors for enforcing debts and judgements. In particular, we focus on the practical issues, such as procedure, costs and the relative effectiveness of each remedy. As always, the seminar includes access to our comprehensive reading materials.

- Solicitors and barristers.
- Insolvency practitioners.
- Accountants.
- Company directors.
- Secured and unsecured creditors.
- Debt recovery specialists.
- Anyone with an interest in debt recovery!
