Upcoming Law Seminar in Dublin

Date/time: Thursday 28th November 2019, 2pm-5pm

Venue: Gresham Hotel, Dublin

Cost: €160

3 CPD Points!

What is the seminar about?

Costs are arguably the most important consideration for anyone seeking or providing legal advice. But the rules and procedures surrounding the question of legal costs has become so complex that it has become a specialist legal field in its own right. The purpose of this seminar is twofold. First, it seeks to simplify those rules from the point of view of both the practitioner and the client. Secondly, it is intended to update practitioners on the latest developments from the higher courts, the Oireachtas and the taxing masters. We examine the latest Supreme Court decision in Moorview Developments - probably the most important Irish decision of the century regarding costs! We consider the drastic changes being introduced by the new Legal Practitioners Act, changes in the rules of court and the most important decisions from the Taxing Masters.

This seminar is highly recommended for every legal practitioner and is complemented with our usual collection of highly-popular, detailed notes.

Who should attend?

This seminar will appeal to a range of different people:

- Solicitors.
- Barristers.
- Cost accountants.
- Policy makers.
- Anyone else with an interest in legal fees.
